**FOR IMMEDIATE RELEASE:**  
April 20, 2009

**Indio, CA, April 2009:** The Coachella Valley Mosquito and Vector Control District officially commented on Grand Jury Report into its operations today. Board President Dr. Bruce Underwood stated that work is underway to address each of the eight Grand Jury findings and recommendations. Dr. Underwood also indicated that members of the Board have been provided copies of the Report and that the entire Board will take up the matter at their next Regular Meeting on May 12, 2009. Dr. Underwood went on to say that several of the Recommendations in the Grand Jury Report relate to financial practices and that he is proud of the ongoing commitment by the Board and staff to address these issues as evidenced by the award for outstanding financial reporting for the fiscal year ending June 30, 2008 recently presented to the District by the California Society of Municipal Finance Officers.
