Dear Directors,

I would like to give my endorsement of Mr. Jack Cavier as an Honorary Member of the MVCAC. Mr. Cavier rendered exceptional and distinguished service to both the citizens of California and the MVCAC. He is a dedicated and hardworking public health professional and advanced the mission of mosquito control in the State. Mr. Cavier served on the MVCAC Biological Control Committee for many years and was a very active member. He was instrumental in advancements in the rearing of mosquitofish and helped many North State districts with their programs. Mr. Cavier was a long time fixture when we met at the State Capitol each year for Legislative Day and had an excellent rapport with many members of the State Assembly and Senate. Mr. Cavier was a true "public servant" protecting the citizens he represented from mosquitoes and the diseases that they transmit.

Sincerely,

Michael R. Kimball
Manager

RE: Honorary Membership

I am writing to provide the association an endorsement of Mr. Jack Cavier for consideration of a MVCAC Honorary Membership. Mr. Cavier dedicated his life to mosquito and vector control serving the counties of Glenn and Colusa throughout his career; ultimately retiring as District Manager from Glenn County Mosquito Abatement. In addition to his service to his community, Mr. Cavier served on the MVCAC Biological Committee, providing mosquito fish and mosquito fish knowledge to numerous Districts throughout California and legislatively representing the Northern California mosquito control districts at the State Capitol every year. Mr. Cavier illustrates the model of being locally committed to public health mosquito control issues, yet never losing a connection to the larger mosquito control industry.

Thank you for your consideration,

Re: Honorary Membership

This letter is in regards to an individual that I strongly believe is deserving of the MVCAC Honorary Membership. The individual is Jack Cavier, retired Manager of the Glenn County MVCD. I do not think there is enough that could be said about Jack to as much as he has contributed to the endeavors of the MVCAC. Jack's countless hours working on state legislative issues and biocontrol committee goes beyond recognition. Jack has been President of the MVCAC and a member of several committees. If anyone is deserving of this membership it is Jack Cavier.

It is for these reasons that I nominate Jack Cavier for MVCAC Honorary Membership. Jack has shown the commitment to our Association that is worthy of such an honor.

Respectfully,

MVCAC,

I wish to nominate Mr. Jack Cavier, formerly of Glenn County MVCD, for Honorary Membership. I believe that Mr. Cavier exceeds the criteria for this award and has shown to be an exceptional asset to the mosquito control industry. His dedication and hard work make him a worthwhile candidate for the distinction.

Mr. Cavier has served the MVCAC in a number of capacities over the years including committee member and legislative advocate.

Please feel free to contact me if you have any questions or would like to discuss his nomination further.

Sincerely,

D. Andrew Cox
